How many hotels form The Zanzibar Collection?

Escape to this island in the Indian Ocean, just off the coast of East Africa, for a luxurious honeymoon like no other...

Dazzlingly white, powder soft, expansive beaches, the crystal clear, azure waters of the Indian Ocean and the exotic destination of Zanzibar are what honeymoon dreams are made of! The Zanzibar Collection is a family-owned collection of four luxurious and amazing hotels: Breezes Beach Club & Spa, The Palms, Baraza Resort and Spa and the newest addition to the portfolio, Zawadi, located on a cliff top with the most spectacular view in Zanzibar.

Each hotel in The Zanzibar Collection is unique with its own style. From the intimate colonial décor of The Palms, to the Arabic & Swahili-inspired style of Baraza Resort & Spa, to the authentic, traditional influences of Zanzibar that inspire interiors at Breezes Beach Club & Spa, to the cool and contemporary furnishings of Zawadi, all have been thoughtfully created for honeymooners to celebrate their special moments together and create memories that will last a lifetime.

Located on the edge of Bwejuu Beach, guests of The Zanzibar Collection have access to Rising Sun Dive Center, the only PADI 5* Gold Palm and National Geographic affiliated dive center in Zanzibar. Snorkel in the turquoise waters and discover the magnificent array of aquatic life. Try your hand at sailing or kite surfing, or relax under the shade of a palm tree with the latest bestseller.

Experience the various spices and flavours of Zanzibar at every meal with expertly prepared and delicious dishes, carefully made by the talented team of chefs at each hotel.

Known for its exceptional attention to detail, The Zanzibar Collection of hotels is perfectly suited to honeymooners and is offering one lucky couple the opportunity to stay at two of their stunning properties over a five-night period. The winning couple will also experience the delights of the Frangipani Spa as they will receive a complimentary relaxing back, neck and shoulder massage during their stay.
